Land and soil resources	Very High
Surface water resources	Very High
Other	Very High
Other (please specify)	Visual impacts

PAGE 3: Issue details

**Q9: Issue 1 (Optional)**

Visual Impact - already this unsightly mountain is visible from the highway when heading inbound from Geelong

**Q10: Issue 2 (Optional)**

Smell - Werribee has had a long stigma with odour related issues, market garden, Western Treatment Plant, this is another factor to add to the issues

**Q11: Issue 3 (Optional)**

Contamination - containment of contamination is more difficult when it is above ground and can become airborne

**Q12: Issue 4 (Optional)**

Risk to community health - Wyndham is a growing community and housing is encroaching already in areas of industrial waste.

**Q13: Issue 5 (Optional)**

Perception - there is already a perception that the western suburbs are lower in general values.

PAGE 4: Endorsement and submission

**Q14: Do you object or approve the proposal?**

Object,

Please provide an explanation  
There a more sustainable resource recovery processes and Wyndham Council is not exploring these avenues. It seems to be that they are only focusing on the commercial benefit that they will gain from this. Wyndham Council has an opportunity to be a leader in this however believe they have not explored this and are only going to gain short term benefits from this proposal.

**Q15: Additional materials (Optional)**
